

cThe school assembly rota is developed around the 7 core values of :

Respect, Determination, Inspiration, Excellence, Friendship, Courage and Equality.

We also promote British values including democracy (local, national and international), the rule of law, mutual respect, individual liberty and tolerance of different faiths and cultures. This includes national and internationally celebrated religious events and notable national days and events, as well as our own achievements in school.

Additionally, assemblies at Leyburn Primary School recognise the need to respond to and discuss world events as they occur; for example, outbreak of war or disease or the death of a respected person.
