**Science** - investigating the best materials for a roundhouse, Roman sandals and/or shields.

**DT** - designing and making our own Roman shields and/or sandals.

**Computing** - designing our own programs using Scratch.

**Football and Dance** - continuing to develop our skills and control.

**RE** - Christmas and the symbolism of light in different religions

**Visits or visitors** - a Roman day at Murton Park (more information will be provided once the trip has been confirmed).
