Happy New Year!

Our work for Spring 1 focuses on the question:

What makes a good leader?

During this topic, we will be focusing on the impact of the Ancient Greeks on our lives today.

Ancient Greeks - studying Greek governance, myths and beliefs.

The Human Body - identifying parts of the circulatory system and exploring the meaning of a 'healthy lifestyle'.

DT - finishing our moving hands and designing a bridge to a Greek underworld.

Computing - creating a 'website'.

Hockey and Swimming

French - learning how to speak about the habitats of animals.

R.E - learning about the beliefs of Humanists
