

Spring Term 2 2017

Welcome back Year 3!

Our work for Spring 2 focuses on the question:

Where do the lost things go?

This topic will be focusing on what it means to be 'lost' or 'found' through exploring texts such as 'The Lost Thing' by Shaun Tan.

Geography - exploring the location of different European countries and their main cities.

Science - investigating light in more detail; reflections and shadows.

Art - creating a gallery of 'lost things' by using techniques such as printing and collage.

Music - learning some musical notation; composing and improvising our own music for 'lost things'.

Computing - using digital mapping software to explore European countries and cities.

Swimming and Yoga - this half-term we have a specialist Yoga teacher visiting Year 3!

RE - Easter; a story of hope from despair.

Visits or visitors - Maths morning at Spennithorne Primary School (3rd March); Yoga teacher visiting every Thursday.

Things to remember...

Monday: PE Kit (indoor & outdoor trainers); Water bottle*

Tuesday: Reading books and records

Wednesday: **Swimming kit**

Thursday: Spellings and Big Maths

Friday: -

* Please could you ensure that your child brings a *labelled* water bottle to school every day.

HOMework

- 10 minutes each night - either sharing a reading book* or learning your maths Learn-its
- Topic work (non-compulsory)
- Spellings

* A child will only change their school reading books if an adult from home has signed their reading record to say that they have read and finished them at home. In school, we focus on different books during Guided Reading sessions.
