

Spring Term 2 2018

Welcome back, Year 6!

Our work for Spring 2 focuses on the question:

Just how extreme is our earth?

During this topic, we will be focusing on extreme weather events and our impact on the environment. We will be exploring:

Extreme earth - studying extreme events; how and why they happen.

Evolution and adaptation - investigating where we come from and why living things adapt over many years.

Art - creating our own versions of 'The Wave'.

Computing - finishing our 'websites' and learning new techniques for coding.

Fitness and Swimming

R.E - learning about the resurrection of Jesus.

Visits or visitors - using our geographical skills to locate and visit an 'extreme' part of our local area (more information to follow!).

Things to remember...

- Monday: Water bottles*;
PE Kit (indoor & outdoor)
- Tuesday: Recorder club
- Wednesday: Art club; Swimming
- Thursday: Spellings test
Knitting club
- Friday: PE; Sports club after school
- * We encourage all children to bring a bottle of water to school every day and take it home to be washed every night.

HOMEWORK

- **Spellings** to be practised in homework books at least three times a week - see the new '**Spelling menu**'
- **Reading** every night - your own books as well as accessing **Reading Plus** at least three times a week.
- **Maths**- to be completed when set by Miss Burn (consisting of the revision of topics we have looked at in class)
- **News stories** - if you see any interesting news stories, write them down and bring them in to share.

* Please could we ask that the homework books are available in the children's bags for us to check every day.

Thank you!
