

The school assembly rota is developed around the 7 core values of :

Respect, Determination, Inspiration, Excellence, Friendship, Courage and Equality.

New Beginnings, Getting on and Falling out, Going for Goals, Good to be Me, Relationships and Changes. We also make regular links to our Rights Respecting Schools work across all aspects of school.

Our assemblies also promote British values including democracy (local, national and international), the rule of law, mutual respect, individual liberty and tolerance of different faiths and cultures. This includes national and internationally celebrated religious events and notable national days and events.

Additionally, assemblies at Leyburn Primary School recognise the need to respond to and discuss world events as they occur; for example, outbreak of war or disease or the death of a respected person.
