

Year 5

Summer Term (1st half)

Welcome back!

Our main topics for this half-term will be:

Who do you think you are? We will be considering how animals and humans develop, starting from infancy to old age. We will learn about the differences in development within animals and humans, and understand more about the physical and emotional changes during puberty.

Computing- We will be using the internet to learn how to safely and effectively carry out an advanced search and understand how to edit and create a webpage.

DT- Automata animals- Within design technology, the children will be designing and making moving toys using woodwork and simple moving mechanisms.

French- As linguists we will learn how to talk about hobbies in French.

Things to remember...

Monday: Homework to be handed in

Tuesday: -

Wednesday: Swimming

Thursday: CLIC and Learn It books are checked.

Friday: CLIC and Learn Its PE kit (indoor and outdoor).

HOME LEARNING

- 10 minutes each night - reading.
- Practising spellings ready for test each fortnight
- Practising times tables and 'Learn its'

The children have a 'homework' book where they can practise their spelling and 'Learn its'. It is expected that the children use this book and evidence their home-learning each week.

*One piece from homework grid, this is now not compulsory, but can be completed each week if desired. It will be marked and returned to the children afterwards.
