### **Newsletter Friday 26th November 2021**

\*\*\*\*\*\*\*

Dear Parents & Carers,

No doubt you will all be aware of the work that is taking place at school at the front of the school. The proposed works will involve:

- Removal of existing timber fencing and low-height fencing and installation of new security fencing
- Reconfiguration of existing fencing / gate locations to allow for safer drop off areas
- Improved security surrounding Early Years outdoor area and adjacent public playground area
- Creating additional play area
- Separated car parking area with new zebra crossing
- Designated pedestrian access points and new pavement areas
- Automated vehicular access gate
- Access control linked to the school office

The works are targeted for completion by February 2022.

Eddisons Building & Project Consultancy, a team of Chartered Building Surveyors based in Leeds, have worked alongside The Yorkshire Collaborative Academy Trust to secure this funding and this project is one of a number of Condition Improvement Funded projects carried out at the school. We have also benefited from Fire Alarm & Emergency Lighting Installation, Boiler and Radiator Replacement and Roof Maintenance and Canopy Replacement over recent years.

We anticipate the impacts of the safeguarding project will be far-reaching throughout the school community and we look forward to seeing the completed works in the new year.

Thank you for your patience and we apologise for any inconvenience.
