### **Newsletter Friday 8th April 2022**

\*\*\*\*\*\*\*\*

Dear Parents & Carers,

This week's newsletter will be a short one to give you key information and dates for the summer term.

## Covid update from the Department for Education.

Children who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school when they no longer have a high temperature and they are well enough to attend.

# Children and young people aged 18 years and under who have a positive Covid test result

It is not recommended that children and young people are tested for COVID-19 unless directed to by a health professional.

If a child or young person has a positive COVID-19 test result they should try to stay at home and avoid contact with other people for 3 days after the day they took the test, if they can. After 3 days, if they feel well and do not have a high temperature, the risk of passing the infection on to others is much lower. This is because children and young people tend to be infectious to other people for less time than adults.

### Parent Forum.

We are keen to re-start this group and will have our first meeting on Tuesday 26<sup>th</sup> April at 3 pm. Please contact the school office if you are interested in taking part but are unable to attend.

#### Dates for the summer term:

- 25<sup>th</sup> April Training Day
- 26<sup>th</sup> April Children return to school
