

## Newsletter Friday 26<sup>th</sup> March 2021

Dear Parents & Carers,

Easter is finally here and we all deserve a good break in the spring sunshine. It has been a time like no other in living memory and all of us have faced different challenges. I think for everyone, the following words from our MP, at the beginning of this crisis will be true in countless ways:

**"When this is over, and it will be over, we want to look back at this moment and remember the many small acts of kindness done by us and to us. We want to look back on this time and remember how we thought first of others and acted with decency."**

### School lunches

We are now almost back to normal with a wider range of food available. Thank you so much for your patience with this. The children have been very flexible and have enjoyed being back in the school hall with their friends.

### REMINDER: Midday supervisors needed!

Maintaining class bubbles has continued but can be challenging, especially at lunchtime while we are reintroducing full school lunches. We are always keen to have additional supervisors at lunchtime so please contact the school office if you have an hour free over lunchtimes.

### Online safety

### Steps you can take to keeping your child safe online:

**Parental controls:** Parental controls have been designed to help you manage your child's online activities. There are various types, some of which are free but others which can be bought. However, nothing is totally fool proof so this shouldn't replace the support and guidance you give your child to help keep them safer.
