Dear Parents & Carers,

We had a wonderful Leavers' Assembly for our year 6s.

A big thank you to everyone who came to send the children off on the next phase in their lives. The strategically positioned tissues proved to be essential!

PTFA news

The PTFA 100 square competition was drawn in assembly by Liz and Mel. The lucky winners were: Lewis In Y4 who won £50, and Emily (Solomon's mum) who won £100.

Thank you to everyone who took part.

Superteams

Another big thank you to everyone who made Superteams such a huge success.

The children were exemplary and it was lovely to see the wide range of ages encouraging and supporting each other in so many ways.

School meals

We have been notified by our catering company that, from September, the cost of school meals will be £2.50. We have altered our menus to provide more choice and will be sending this out at the beginning of term.

Thank you

Thank you to everyone for all of your support this year. Your generosity with OPAL has made all the difference to our playtimes in school – keep it coming! We have had a big 'tidy up' today and can look forward to getting it all out again in September.

Thank you for your support of the school in other ways too. We thank our many volunteers and helpers who have made sure that visits can go ahead.

The Local Governing Body has worked very hard this year and has had a positive impact upon the school and its continued improvement. They are all volunteers too and we really value and respect their commitment to the school and its community.

Your kind words throughout the year have sustained us all through challenging times. None of us know what lies ahead for us but, together, we

will continue to work for the children and each other.

We hope that you all have a wonderful summer and we look forward to welcoming the children back on **Tuesday 6th September**.

And finally....

To the Year 6s of 2022.

**"Never say goodbye
because goodbye means
going away and going
away means forgetting."
— J.M. Barrie**

We will never forget you.
