Behaviour Management Policy

We believe this policy should be a working document that is fit for purpose, represents the YCAT Trust ethos, enables consistency and quality across the YCAT schools and is related to the following legislation:

- Children Act 1989
- Education Act 1996
- Crime and Disorder Act 1998
- School Standards and Framework Act 1998
- Education Act 2002
- Anti-social Behaviour Act 2003
- Education Act 2005
- Education and Inspections Act 2006
- Education (Parenting Contracts and Parenting Orders) (England) Regulations 2007
- Education (Penalty Notices) (England) Regulations 2007
- Education and Skills Act 2008
- Apprenticeships, Skills, Children and Learning Act 2009
- Equality Act 2010
- Education Act 2011
- Education (Penalty Notices) (England) (Amendment) Regulations 2012
- School Discipline (Pupil Exclusions and Reviews) (England) Regulations 2012
- Education (Penalty Notices) (England) (Amendment) Regulations 2013
- Education (Independent School Standards) (England) (Amendment) Regulations 2014

The following documentation is also related to this policy:

- Behaviour and discipline in schools - Advice for headteachers and school staff (DfE 2014)
- Equality Act 2010: Advice for Schools (DfE)
- School attendance parental responsibility measures: Statutory guidance for local authorities, school leaders, school staff, governing bodies and the police (DfE)

We have a duty under the School Standards and Framework Act 1998 to have in place a behaviour policy that is annually reviewed, made available to all stakeholders and is consistent throughout the school.

We believe that we promote good behaviour by creating a happy caring school environment where everyone feels valued, respected, secure and free from all forms of anti-social behaviour.

We realise pupils behaviour improves and they feel safer and happier in school if school personnel consistently apply this policy and maintain regular classroom routines.

We encourage pupils to achieve in a learning environment where self-discipline is promoted and good behaviour is the norm. Any form of low-level misbehaviour during lessons is not accepted as we believe pupils will achieve their full potential in a happy, stimulating and ordered school environment.

Behaviour Management Policy

We strongly endorse the banning of all forms of corporal punishment which has been defined as 'the use of physical force causing pain, but not wounds, as a means of discipline'.

We are aware that we have the right to use reasonable force to control or restrain pupils in order to prevent personal injury, damage to property or the prevention of a criminal offence being committed but not as a means of disciplining pupils.

We have in place calm areas in school specifically designed to provide an alternative environment for any pupil who is upset, distressed or acting in an unsafe manner. It is a place where school personnel can take individual children to talk about their concerns or worries or just to calm them down if something has upset or angered them.

We have a duty to ensure that all parents are aware of our 'legal powers to use parenting contracts, parenting orders or penalty notices to address poor attendance and behaviour in school.' Parents have a duty to ensure their children are well behaved and attend school regularly as 'good behaviour and attendance are essential to children's educational prospects'.

We are aware that 'parenting contracts, orders and penalty notices for irregular attendance apply only to pupils of compulsory school age who are registered at a school'. While 'penalty notices for parents of pupils found in a public place during school hours after being excluded also apply only to children of compulsory school age who are registered at a school.'

We have a duty to safeguard children, young people and families from violent extremism. We are aware that there are extremist groups within our country who wish to radicalise vulnerable children and to involve them in terrorism or in activity in support of terrorism. Periodic risk assessments are undertaken to assess the risk of pupils being drawn into terrorism. School personnel must be aware of the increased risk of online radicalisation, and alert to changes in pupil's behaviour. Any concerns will be reported to the Designated Safeguarding Lead.

We are aware that under the 'Counter-Terrorism and Security Act 2015' we have the duty to have 'due regard to the need to prevent people from being drawn into terrorism'. This duty is known as the Prevent duty and we believe it is essential that school personnel are able to identify those who may be vulnerable to radicalisation or being influenced by extremist views, and then to know what to do when they are identified.

We provide a safe environment where we promote pupils' welfare. Within this environment we work hard to build pupils' resilience to radicalisation and extremism by promoting fundamental British values and for everyone to understand the risks associated with terrorism. We want pupils to develop their knowledge and skills in order to challenge extremist views.

We understand that 'Headteachers and school personnel authorised by them have the statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item'.

Behaviour Management Policy

We have decided that the following items are prohibited in YCAT schools namely knives or weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornographic images, any item that could be used to commit an offence or personal injury or damage to property. Any pupil found in possession of them will face disciplinary sanctions.

We wish to work closely with the School Council or equivalent in each school and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We aim to be judged at least good in all school inspections by ensuring that standards for all pupils are higher than schools of a similar size and that standards continue to improve faster than the national trend.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
