

Newsletter Friday 22nd March 2024

Dear Parents & Carers,

Welcome back after Easter. Although spring is in the air, we are still waiting for the warmer weather to arrive. Fingers crossed!

It has been lovely to see so many of you in school for the parent/carer consultations this week. We hope that the information you have been given has both reassured you and given you valuable insight into your child's education.

Contact details

It is really important that we are able to contact you throughout the school day. We have had some instances recently where the number on our school system is no longer in use.

Please let the office know if your phone number changes.

Training Day

Please remember that school will be closed for a training day on Friday 24th May.

Eye tests

These tests are no longer routine. If we feel that a child is experiencing difficulties, particularly when reading the board at the front of the classroom, then we will raise this with you. However, some children are very good at compensating and so 'struggle in silence'.

Healthy Schools Gold

Healthy Schools
North Yorkshire

We are very proud to have had healthy Schools Gold awarded for the second time this week.

It is validation of all of our hard work across the school in all areas.

Thank you for all of your support with this work.

World Art Day

World Art Day is held on the 15th April, the anniversary of Leonardo da Vinci's birth.

The whole school took part in printmaking and produced some impressive results.

We would like to say a big 'Thank you' to Mrs Allis for organising it all and for making it such a great success.

Growing Tomatoes
As part of our 'Veg power' project, we have had a delivery.

Every child will be planting tomato seeds this week and growing their plant in school, ready to bring home and continue to care for over the summer holidays.

Keep your mouth healthy!

Lynn came into school to talk about the importance of looking after our teeth, spoke to each class and even gave everyone a free tube of toothpaste and a bamboo toothbrush. There's no excuse now!
