

Newsletter Friday 2nd February 2024

Dear Parents & Carers,

It has continued to be wet but, undaunted, we have rarely had an indoor playtime because we know how much better the children learn when they have been outside and 'enjoyed' some fresh air and sunlight with their friends. We know that they can get muddy and we really appreciate your understanding with this.

Out and about

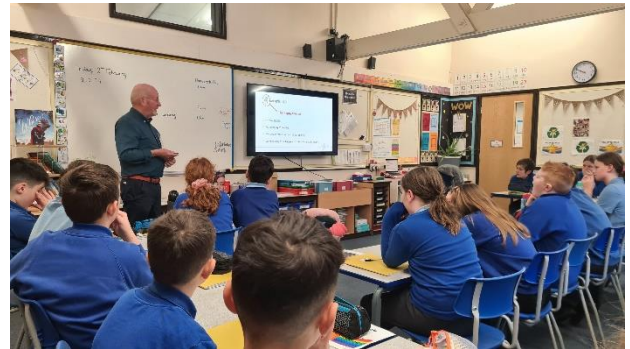

Year 5 science at Richmond School.

We have had a very busy few weeks with lots of visits and visitors into school. Here are just some of the great experiences your children have been having. We have even more planned for next half term.

Dodgeball with years 5 and 6.

Brian Quinn from Humanism UK with year 6.

Fencing Club at school.

Marie talking about Sierra Leone with Key Stage 1.

The firefighters with our children in Early Years.

If you would like to come and talk to the children about your work, then please contact the school office. The children really enjoy finding out the wide range of experience and expertise within our local community.

It is also great to hear about the range of experience and expertise amongst our pupils and Scarlett is a case in point.

Dates for the Diary:

Thursday 1st February – Year 5/6 Dodgeball tournament

Thursday 1st February – year 5 to visit Richmond School for Science visit

Friday 2nd February – Humanism visitor to Year 6

Wednesday 7th February – Year 4 visit to le Cateau School and the Hindu Temple

Friday 9th February – Break up for half term

Monday 19th February – back to school. Year 5 visit to Bradford Mosque

Wednesday 28th February – Year 6 residential to Edinburgh
