

Newsletter Friday 19th December 2025

Dear Parents & Carers,

We did it! We have reached the end of 2025 and what a fortnight since the last newsletter. Here is a taste of what has been happening around school.

We have had our Rocksteady Concert, Christmas cards, Christmas lunch, Christmas parties and Christmas jumpers and, of course, our Key Stage 1 Nativity. What a joy it's been!

Looking forward to 2026

National Year of Reading

GO
ALL
IN.

We have already started this and many of you have enjoyed reading the mystery book with your children, as well as coming to our winter story café.

We will be kick starting 2026 with a visit from an established author, Pete Murray, on the 12th January, the author of the Mokee Joe books.

He is a wonderful entertainer and the children will have the opportunity to spend some of their Christmas money by buying signed copies of his books!

Our Maths Vision – Looking Ahead

At our school, maths is for everyone. We want children to enjoy maths, feel confident and be proud of their achievements. Through our work with the Primary Maths Hub, we are already seeing strong foundations and fluent recall of key facts developing. Next year, we will build on this by working closely with other schools to share good practice and make maths positive, accessible and successful for every child.

And finally, Happy Christmas to you all and wishing you all that's merry and bright!

See you all next year!
