

Newsletter Friday June 5th 2026

Thank you

Thank you to Sam Thompson who highlighted a concern about children being able to move too easily from the school gate onto the road. We're pleased to share that barriers have now been installed to help keep everyone safe when arriving and leaving school. We really appreciate our school community working together with us to spot improvements and support the safety of all our pupils.

Outside school

We always like to hear of children's achievements outside school so it was great to receive this news and to be able to pass on a potential opportunity to other children:

Noah Colley has entered the ACED junior golf tournament - this is lots of golf competitions all over the North East between April and August. On Tuesday 26th May he played the competition that was at Catterick.

Noah was in the group aged 10 and under and he came 1st out of 15 children!

Noah has a junior membership at Catterick golf club, and there are lessons open to everyone age 6+.

Every Saturday 1-2pm, pay as you play- £6 per lesson and monthly competitions between the juniors.

No experience or golf clubs needed. Contact the pro shop to let them know you are coming - 01748 512172

Events this week

On the 2nd June, we had a lovely shared lunch with our year 4 families, followed by an OPAL stay and play. Please keep looking at Class Dojo for other classes this half term.

Swaledale Festival

We had a real treat on the 5th June when Janice Burns and Jon Doran came and performed for the whole school as part of the Swaledale Festival. The magic of live performance never ceases to surprise and delight us and it was wonderful to give this experience to the children.

Fabulous Fridays!

We know that not all children can attend after-school clubs, so we are now including these activities as part of our school day. Each Friday afternoon, children will take part in a range of activities such as sport, STEM, music, art and outdoor learning. Year groups will be mixed to give pupils the chance to work with and learn from others, helping them build confidence, friendships and new skills.

Lost Property Collection

Have you checked lost property recently? We often have a number of items waiting to be reunited with their owners! Parents and carers are very welcome to come in and have a look if your child is missing anything. Just get in touch with the school office to arrange a convenient time. We'd love to help return as many items as possible—thank you for your support!

We will continue to sort through it and place un-named items in our uniform exchange at the entrance. Nothing will go to waste.

Monday 8th June – 10th June – Year 4 at Carlton Lodge

Wednesday 10th June – Library visit for Year 6

Friday 12th June – [Richard O'Neill](#) storytelling session

Tuesday 16th June – Year 6 family lunch
