

Newsletter Friday 9th October 2026

It has been another busy fortnight in school with a lot of activity and hard work.

Here is a selection of the experiences your children have been having:

Salads, storytellers and Saltburn! How wonderful.

Parent/carer consultations

It has been lovely to see so many of you in school this week and to hear how well the new academic year has started for your children. Please remember that we are committed to open communication between home and school and many issues can be solved this way. You don't need to wait until the next consultation evening before raising them!

Arbor

Please keep up to date with your Arbor account and let us know if there are any issues, changes or anomalies. This includes your balances as we have £1600 owed in school lunches. This can soon mount up so please contact the school office if you would like to discuss this.

Athletico Okabi

You may remember that we raised money for this children's football team in the Democratic Republic of Congo (DRC). The community has experienced considerable upheaval as a result of unrest in the country but they are now back in their village and training with increased determination.

We are the lucky recipients of the above for our wider provision in school, which will be played with in Games Club and Breakfast Club.

We would also like to thank a massive Thank You to Mr Wilman who is a manager at Lidl and also a parent. He has arranged for two stores to provide us with food each month for our Free Breakfast Club which benefits EVERY child in school. Thank you!

Macmillan Coffee morning

**WORLD'S BIGGEST
COFFEE
MORNING** **MACMILLAN
CANCER SUPPORT**

With your help, we raised over £250 for this worthwhile cause. As always, thank you for your generosity.

Dates for your diary

Wednesday 14th October – Year 6 library visit

Friday 16th October – Phototronics –
Individual and family photographs

Monday 19th October – Town Investment Plan
meeting with Years 5 and 6

Wednesday 21st October – Year 5 visit to the
